The Permanent Mission of the Russian Federation to the International Organizations in Vienna presents its compliments to the Secretariat of the International Atomic Energy Agency and has the honour to transmit the following.

The Kiev regime continues military strikes against Zaporozhskaya Nuclear Power Plant (ZNPP). Yet another shelling of this station by the armed forces of Ukraine (AFU) took place on August 20. As a result one artillery shell exploded in the vicinity of Special building No.1 and three other shells near Laboratory and household building and Special building No.2.

The Permanent Mission of the Russian Federation requests the Secretariat to circulate this information among all IAEA Member States as soon as possible.

The Permanent Mission of the Russian Federation avails itself of this opportunity to renew to the IAEA Secretariat the assurances of its highest consideration.

Attachment: Scheme of AFU strikes against ZNPP on August 20, 2022 and photos of consequences of the strikes, 13 pp.
